EASY WAYS TO FUNDRAISE

Textile Bank

We have a green recycling bank in the EYE Nursery car park.

For every kilo of items donated the school receives funding.

Good quality items are reused and are currently being sent to Ukraine, all other items are remade into industrial cleaning materials.

The bank collects all things textile; clothes, belts, hats, gloves, scarves and handbags as well as duvets, bed linen and towels

EasyFundraising

easyfundraising partners with over
7,000 brands who will donate part of
what you spend to FOLBA.
It won't cost you any extra, this is
covered by the brand.
There is an app available and you
can also add a tool to your internet

browser which highlights any donations you can raise.
