

## Attendance trophy for year 1 and year 2 (KS1)

Why is regular school attendance so important for children?

Regular attendance at school means that children make the most of their education and improve their chances in adult life. The aim should be to attend 100% of the time.

Schools can also help children's social skills such as making and developing friendships. A regular and punctual attendance pattern will help children when they enter the world of work.

The link between attendance and attainment in school is clear. The more a pupil is in school the more they increase their opportunity to fulfil their potential.

In year 1 and year 2 (KS1) the class with the most improved attendance will receive the attendance trophy on a weekly basis. The trophy will be presented on Monday mornings.
