Summer Term

Edition 5

Dear Parents and Carers,

We have enjoyed a super start to our Term 3 activities over the past few days. Next week sees our second class visit to Ruislip High School science department, and the final one the following Monday. The class who attended last term thoroughly enjoyed their workshop and a little peek into what life is like at secondary school. Sincere thanks to Ruislip High for offering these visits. We look forward to continuing to work with you and your children in the weeks ahead.

Kind regards,

The Year 5 Team

Winchester School Journey June 20th – 21st.

For those children taking part in the Winchester residential visit, an information session will be held in the upper hall from 2.15 – 3.00pm on Monday May 13th. We warmly welcome parents to attend this session but do understand that some will be unable to do so. All information from the meeting will be issued in hard copy that day and follow up email questions are welcomed.

For those children not taking part in this visit, we will be organising alternative school based activities. Details to follow.
