Year 5 Newsletter

Spring Term, Edition 4

Dear Parents and Carers,

We have enjoyed a very busy start to the half term and are now looking forward to some more spring-like weather so that more of the school day can be enjoyed outdoors.

We will be in touch soon with the details of the Winchester school journey parent information session, and arrangements for pupils not participating in this visit.

We look forward to continuing to work with you and your children in the weeks ahead. Please do not hesitate to contact us with any matters arising.

Kind regards,

The Year 5 Team

Class Assemblies

We have now completed all of our class assemblies. Congratulations to all of the children for working together so hard to create three marvellous - and very different - spectacles for us.

Parents' Evenings

We are delighted that so many of you were able to attend these recent consultations. We hope that the exchange of information on the pastoral and academic progress of your children was as useful to you as it was to us.

Reminder – Bug Club, TT Rock Stars and Mathletics

Please continue to encourage your children to spend time on these very valuable learning platforms. The activities they offer make a genuine contribution to their progress in school.

Science Museum Visit

Year 5 enjoyed a fabulous visit to this Central London attraction on Thurs 8th Feb. Pupils were able to enjoy visiting a variety of scientific galleries – with hopefully something to pique everyone's scientific interest - and visit the fabulous hands-on Wonder-lab facility. We are sure you will join us in thanking all the parent volunteers who helped make this trip possible.
