Monday 11 <sup>th</sup> - Friday 15 <sup>th</sup> March	British Science Week

### Class Assemblies

We have our class assemblies to enjoy this half term. These events are excellent opportunities for classes to work towards a common goal, learn teamworking skills and showcase their talents and knowledge. We look forward to welcoming as many parents as possible to their children's assembly.

Don't forget to keep checking on our school  page, for recent photographs of school activities and sporting events.

## Year 5 Newsletter

Spring Term

Edition 3

Dear Lady Bankes Families,

Happy New Year! We hope that you had an enjoyable holiday. Everyone certainly seems to have come back to school refreshed and ready for the challenges of the coming weeks. We look forward to a positive and productive Spring Term. Please do not hesitate to contact us with any questions or matters arising.

Kind regards,

The Year 5 Team

## Times Tables Rock Stars

We have now completed round one of this annual competition. Congratulations to all of our winners. Good luck in the future rounds!

## Home Learning Tasks

Many congratulations to all of the children who completed home learning tasks last term. Thank you also to those parents who commented on how much they had enjoyed helping their children with the tasks. The new list of activities for this term is now available on the school website. We look forward to welcoming your fabulous creations and compositions into school!

## Science Museum Visit

We plan to visit the Science Museum in London on Thursday February 8<sup>th</sup>. This attraction provides a fantastic journey through the scientific world, and we have made bookings for the Equinor Wonderlab. We intend to travel via public transport, which will enable us to offer this visit free of charge. Please return permission slips by Tuesday 16<sup>th</sup> February.

## Festive Memories – December 2023
