Year 5 Newsletter

Edition 2

Dear Parents and Carers,

Welcome Back! We are all set for a half term just as enjoyable and productive as the last one. It is a real pleasure to see all the progress your children are making - and be able to share in their successes. We look forward to continuing to work closely with you in the weeks to come. Please do not hesitate to approach us with any matters arising.

Kind regards

The Year 5 Team

Upcoming Trips

We are visiting the cinema this Friday November 10th. Please return the permission slip for this visit as soon as possible, if you have not already done so.

All spaces on the summer residential to Bournemouth/Winchester are confirmed for those who expressed an interest in taking part. There are still spaces available, and we will accept reply slips up to the end of this week, when we will need to confirm final numbers with our coach company and venues.

We have arranged to visit the Science Museum in London, and make use of their Wonderlab facility in early February. Full details to follow in January.

Parents' Evening

It was great to see so many of you at the recent consultations. Communication of this nature plays an important role in helping children reach their potential. Thank you for your support.

Home Learning Timetable

Activity	Set	Due
Spellings / English	Friday / Alternate Fridays	The following Friday
Mathletics / Maths	Ongoing/ Alternate Fridays	The following Friday
Bug Club	Ongoing and continually monitored	

Please endeavour to read with your child as frequently as possible, and encourage them to undertake the practical home learning tasks posted on the school website.

Swimming

Our swimming lessons will begin next Monday November 13th. Full details were issued in our letter of last week. If you did not receive this letter, please contact your child's class teacher.

School Council & Green Team Representatives

Congratulations to our duly elected Year 5 school council and green team members! They are very keen to make the most of their roles and ensure that their classmate's views and ideas are shared with the whole school community.
