

# Wellbeing Survey Results—Pupils

Key

I know about the Wellbeing Award for Schools.

Average Score: 2.1

In our school we learn about how important it is to talk about our feelings and emotions.

Average Score: 2.7

I believe I can make a difference if someone else is feeling worried or unhappy.

Average Score: 2.6

My school really cares about me and how I am feeling.

Average Score: 2.5

My school really cares about all of its pupils and how they are feeling.

Average Score: 2.7

If needed, I would feel comfortable talking about how I am feeling at school.

Average Score: 2.2

My teachers know when I am feeling worried or unhappy.

Average Score: 2.3

I am able to get help at school when I am feeling worried or unhappy.

Average Score: 2.6

The school really cares about what I think and listens to what I say.

Average Score: 2.6

## Next Steps

- Make a worry bench in the playground
- To provide a lunchtime club which could help pupils with anxiety or when they're worried about something, as this could help children with their confidence and be happier.
- Signpost children to key adults in school to talk to
- Make it a safer environment for pupils going through puberty
