### Children's University Update.

Thank you for engaging with the Children's University programme. It has been wonderful to see all the fantastic learning opportunities they have been participating in outside of the school day.

Thank you for your patience and please keep sending activities and any questions into the email address [Moreable@ladybankes.school](mailto:Moreable@ladybankes.school) as we have been adding new activity codes regularly – Please see below for the updated list of codes. Some codes have run out – these have been replaced with new codes. Sorry for the inconvenience caused.

We have 192 children signed up the Children's University programme with approximately 110 children regularly logging activities.

The deadline for logging activities is **Friday 4<sup>th</sup> July**. After this time, we will be arranging a graduation ceremony for all the children who have achieved either a Gold, Silver or Bronze award.

Please see below a list of children with the most hours so far this school year.
