Children's University Update.

Thank you for engaging with the Children's University programme. It has been wonderful to see all the fantastic learning opportunities they have been participating in outside of the school day.

Thank you for your patience and please keep sending activities and any questions into the email address Moreable@ladybankes.school as we have been adding new activity codes regularly – Please see below for the updated list of codes. Some codes have run out – these have been replaced with new codes. Sorry for the inconvenience caused.

We have 193 children signed up the Children's University programme with approximately 110 children regularly logging activities.
