Attendance Information for Lady Bankes Families

'Every child is entitled to access full time education every day, attendance matters, let's help our children reach their full potential'.

Attendance trophy for year 1 and year 2 (KS1)

Regular school attendance is an important part of giving children the best possible start in life. Students who miss school frequently can fall behind with their work and do less well in exams. Good attendance also shows potential employers that a young person is reliable.

Schools can also help children's social skills such as making and developing friendships. A regular and punctual attendance pattern will help children when they start secondary school or enter the world of work.

The link between attendance and attainment in school is clear. The more a pupil is in school the more they increase their opportunity to fulfil their potential.

In year 1 and year 2 (KS1) the class with the most improved attendance will receive the attendance trophy on a weekly basis. The trophy will be presented on Monday mornings.

We will also be introducing new rewards during the next academic year.

Mrs Sue Smith, Attendance Officer
